

Our Mission:

The Lake Norman Lucky Cat Program is a volunteer organization committed to reducing the number of feral cats in the Lake Norman area through facilitating TNR (trap, neuter/spay, return) of feral cats. Our organization is not an adoption/relocation agency.

TNR IS THE HUMANE SOLUTION!

When asked why he spent so much time and money talking about kindness to animals, George Angell (founder of the Massachusetts SPCA in 1868) replied, "I am working at the roots. When human beings finally learn to honor the spirit of all beings, most of the world's problems will be solved."
